Large Format Platen Press

AIT 1600

AIT 1600 SERIES

The AIT Model 1600 is a fully automatic large format heat transfer printing system specifically designed for Dye Sublimation printing of flags, banners, carpet tiles, ceramics, wood, plastics, and cut apparel parts. The heated upper platen automatically indexes from one station to the other. The multi-zone heat control and hydraulic pressure system provides consistent quality. The Model 1600 is 'Safety Certified' and meets all EC Safety and Efficiency Standards.
